ALLSTART
PORTABLE PEACE OF MIND

JUMP START VEHICLES, CHARGE DEVICES

PH: 800-537-1077 • FX: 800-537-1717 • INFO@ALLSTARTBOOST.COM • WWW.ALLSTARTBOOST.COM
Micro **BOOST**

Item No. 540

The smallest and lightest portable power unit on the market!

- 200 Cranking Amps/400 Peak Amps
- 8000mAh high capacity, high power lithium battery
- UL94 fireproof material
- Clamps feature 100% copper inserts
- Features include 12V emergency start, LED flashlight and USB port for device use and charging
- Features AI Technology for faster device charging
- Dimensions: 5L x 3H x 1W, Weight: .75 lbs.

The AllStart Micro Boost can jump start up to 4.6L Gas Motors.

---

**BOOST**

Item No. 550

Compact and powerful handheld power!

- 300 Cranking Amps/400 Peak Amps
- 12000mAh high capacity, high power battery
- UL94 fireproof material
- Clamps feature 100% copper inserts
- Features include 12V emergency start, LED flashlight and USB port for device use and charging
- Features AI Technology for faster device charging
- Dimensions: 6L x 3H x 1.25W, Weight: 1.90 lbs

The Allstart Boost can jump start up to a V8, 5.4L gas engine.
**BOOST Max**

Item No. 560

Portable power for professionals

- 450 Cranking Amps/900 Peak Amps
- 18000mAh high capacity, high power lithium battery
- Water resistant design Ip65 rated
- UL94 fireproof materials
- Oversized clamps feature 100% copper inserts
- Includes new Smart Clamp for jump starting with improved built-in safety and diagnostic features
- Features AI Technology for faster device charging
- Dimensions: 9.13L x 1.13H x 3.5W, Weight: 1.50 lbs

The AllStart Boost Max can jump start up to a 7.3L diesel motor.

**BOOST Max Camo Edition**

Item No. 569

Ultimate handheld power for the outdoor enthusiast

- 450 Cranking Amps/900 Peak Amps
- 18000mAh high capacity, high power lithium battery
- Water resistant design Ip65 rated
- UL94 fireproof materials
- Oversized clamps feature 100% copper inserts
- Includes new Smart Clamp for jump starting with improved built-in safety and diagnostic features
- Features AI Technology for faster device charging
- Dimensions: 9.13L x 1.13H x 3.5W, Weight: 1.50 lbs

The AllStart Boost Max Camo Edition jump starts up to a 7.3L diesel motor.

**BOOST Ultra**

Item No. 590

The most powerful lithium battery jump starter in the AllStart series.

- 800 cranking amps/1800 peak amps
- 30000mAh high capacity, high power lithium battery
- Features include 12V emergency start, LED flashlight and dual USB port for device use and charging
- Equipped with AI Technology for faster device charging
- Oversized clamps feature 100% copper inserts
- Dimensions: 8.75” H x 7.75”L x 2.75”W, Weight: 4 lbs

Works on most 12V gas engines, including V10 and diesel pickups.
LITHIUM JUMP STARTER ACCESSORIES

Intelli-Clamps
Intelli-Clamps are the safest and most durable on the market for use with your lithium jump starters.
- Anti-spark, reverse polarity, short circuit, reverse charge, under voltage and over current protection.
- Made from UL94 V-0 fireproof material
- 100% pure copper insert in each of the clamps
- Dual connectivity on the clamps for better conduction and lower heat build-up.

OBD2 - Model No. 71
Memory Saver
The Allstart OBD2 memory saver is an accessory that works with the Micro Boost and Boost Max Portable power units, as well as most other Lithium Jump Starters on the market.
The only Memory saver designed for use with lithium portable power units with fuse and back charge protection.
Eliminates the need to carry heavy lead acid jump starters.
Saves service time during battery disconnect or exchange, by removing the need to document and reprogram settings back into the various components and accessories.

OBD2 - Model No. 77
Memory Saver
The Allstart OBD2 memory saver (#77) is an accessory specially designed to work with the first generation Boost Max (Model 560) portable power source. The device charges the unit by plugging in the barrel connector to the 12V/10V port.
This device saves time during battery disconnect or exchange by removing the need to document and reprogram setting back to the various components and accessories.

Replacement Parts for Boost Max 560, Boost 550 and Micro-Boost 540
- 550-1 Jumper Cables
- 550-2B Universal USB Phone Charging Cable
- 550-3 AC Charger
- 550-4 DC Charger
- 550-5 Durable Carrying Case
- 550-6 USB Charge Cord
- 550-7 AC Dual USB Charge Adaptor
Portable Power To Start Your Boat, Car or RV

- 1700 Peak Amps
- 22 Ah Battery - 300 CCA
- 550 Amp Fully Insulated Copper Clamps
- 48” 4-Gauge Cable
- Premium Long Life Battery
- Starts 40 Vehicles on a Single Charge
- Adjustable Multi-Position Light
- Battery Status Indicator
- Built in A/C Charger
- 300 Watt DC to AC Inverter
- Automatic Shutoff Charging
- Durable, Drop-Tested, Chemical, Heat and Cold Resistant Case

Features a multi-position light, high-quality insulated copper clamps and a 300 watt DC-to-AC inverter to power cell phones, TVs, laptops and tools.

562 Jumper Cables

- 12 Ft. Cables
- Long Cables For Front, Side And Back Hook Up
- 10 Gauge Wire For Use With Light Duty Trucks And Cars
- 400 Amp Heavy Duty Clamps
- Read Safety Instructions Before Use

563 Jumper Cables

- 20 Ft. Cables
- Extra long cables for front, side and back hook-up
- 6 Gauge wire for use with trucks and cars
- 600 Amp heavy duty clamps

564 Jumper Cables

- Heavy-Duty | Commercial | Truck
- 20 Ft. Cables
- Extra Long Cables For Front, Side And Back Hook Up
- 2 Gauge Wire For Use In Heavy Duty Applications
- 800 Amp Heavy Duty Clamps
- Read Safety Instructions Before Use

555 - Camo Pro Pac

556 - Marine Portable Power
Revive, Refuel & ReZerve Family

Avoid the inconvenience of a low phone battery with the Allstart Revive 2600. Whether you’re out on the town, at the airport, camping, or at a game, you can charge your device while on the go. Easily fits in your pocket, purse, or briefcase.

• 2600mAh Universal Portable Charger charges your phone one time to get you through the day
• Recharge your digital device’s battery without use of wall outlet
• 500+ battery charge cycles
• Charge Level indicator lights
• Micro-USB to USB cable included
• Over charge and over discharge protection

Backup power for charging your phone… There when you need it!

568 - ReZerve 7800

Convenient power with 3-6 charges where you need it!

• A fully charged ReZerve 7800 will recharge your phone three to six times.
• Recharge your digital device’s battery without use of wall outlet
• 500+ battery charge cycles
• Two (2) Charging Ports: 5V1A and 5V2A
• Charge Level indicator lights
• LED Flashlight
• Micro-USB to USB cable included
• Over charge and over discharge protection
